DUE: Thursday, March 12th

This form must be turned in during (or prior to) class or you will not be in the review. If you do not have advisor support and still wish to go through the review, this form must still be submitted but without a professor signature.

_____________________________ has successfully completed the prerequisites for this course and the concentration requirements for ___________________________________.

(name)

(concentration)

Faculty: You must determine whether the student will go through Individual Art Review Supported or Unsupported. Please fill out the appropriate section below to indicate that decision.

☐ Supported

Faculty: Please indicate below by checkmark that you have reviewed and approved the student’s materials:

- Resume
- Statement of Intent
- at least 75% of the work intended for AD 303 Individual Art Review

All items under the Supported requirements must be checked to indicate full support of the student. If the faculty member does not sign the form the student will only be allowed to go through the review Unsupported.

☐ Unsupported

Faculty: Please indicate below by checkmark the reason(s) why the student is unsupported:

- Resume not submitted to advisor for final approval
- Statement of Intent is of poor/substandard quality
- Insufficient number of meetings with faculty advisor during 303 mentoring process
- Insufficient quantity of work produced for 303 portfolio
- Physical structures of work produced for 303 portfolio is of poor/substandard quality
- Visual structures of work produced for 303 portfolio is of poor/substandard quality
- Social structures of work produced for 303 portfolio is insufficiently developed
- Other (explain; use back of document or attach additional pages)

Signatures:

________________________________  __________________________________  Professor(s)

________________________________  Student

The faculty advisor(s) reserves the right to withdraw Supported status from a student should the quantity and/or quality of the student’s Statement of Intent and/or 303 portfolio change after this form has been signed.
